In re Patent No. 6,949,985	:	
Issue Date: September 27, 2005	:	
Application No. 10/629,162	:	ON PETITION
Filed: July 30, 2003	:	
Attorney Docket No. None	:	

This is a decision on the petition under 37 CFR 1.378(c), filed January 11, 2010, to accept the delayed payment of a maintenance fee for the above-identified patent.

The petition is **DISMISSED**.

A grantable petition to accept the unintentionally delayed payment of a maintenance fee under 35 U.S.C. 41(c) and 37 CFR 1.378(c) must be accompanied by: (1) a statement that the delay was unintentional; (2) payment of the appropriate maintenance fee, unless previously submitted; (3) payment of the surcharge set forth in 37 CFR 1.20(i)(2).

This petition lacks items (1) above. The statement that the delay was unintentional cannot be accepted at this time since the instant petition is not signed by all inventors. Therefore, the statement is considered as not being submitted by a proper party as required by 37 CFR 1.378(d) which states that any petition under this section must be signed by an attorney or agent registered to practice before the Patent and Trademark Office, or by the patentee(s), the assignee, or other party in interest.

The petition is not signed by all of the inventors and the record herein fails to disclose that Cindy X. Qiu was ever given a power of attorney to act on behalf of Chunong Qiu and Yi-Chi Shih, the other inventors or that she is an assignee of the entire interest and has complied with the provisions of 37 CFR 3.73(b)¹.

If reconsideration of this decision is desired, a petition for reconsideration under 37 CFR 1.378(e) must be filed within TWO (2) MONTHS from the mail date of this decision. No extension of this two-month time limit can be granted under 37 CFR 1.136(a) or (b). This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

¹ 37 CFR 3.73(b) provides that: (1) when an assignee seeks to take action in a matter before the Office, the assignee must establish its ownership of the property to the satisfaction of the Commissioner; (2) ownership is established by submitting to the Office, in the Office file related to the matter in which action is sought to be taken, documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment submitted for recording) or by specifying (e.g., reel and frame number) where such evidence is recorded in the Office; (3) the submission establishing ownership must be signed by a party authorized to act on behalf of the assignee; and (4) documents submitted to establish ownership may be required to be recorded as a condition to permitting the assignee to take action in a matter pending before the Office.

Any petition for reconsideration of this decision must be accompanied by the petition fee of \$400 as set forth in 37 CFR 1.17(f). The petition for reconsideration must include the lacking item(s) noted below, since, after a decision on the petition for reconsideration, no further reconsideration or review of the matter will be undertaken by the Director.

If petitioner does not wish to pursue reinstatement of this expired patent, petitioner may request a refund of the maintenance fee of \$490 and the \$1,640 surcharge fee enclosed with the petition. The request should be made in writing and addressed to: Mail Stop 16, Director of the U.S. Patent and Trademark Office, P. O. Box 1450, Alexandria, VA 22313-1450. A copy of this decision should accompany petitioner's request.

Further correspondence with respect to this matter should be addressed as follows:
